

Draft Nominal Roll: Australians in Stalag Luft III April 1942–January 1945

Do you know of someone I have missed? Can you fill in any of my blanks? Can you spot a glaring error? Can you provide compound details or, even better, what room/hut a man was in?

If you are a relative of one of the airmen in Stalag Luft III, please get in touch as I wish to include in my thesis reference to the experiences of as many men as possible.

Please contact me at Kristen.Alexander@student.adfa.edu.au if you can help. I look forward to hearing from you.

Kristen Alexander.
